

(1) mushrooms are an important food that is a valuable part of the human diet;

(2) the production of mushrooms plays a significant role in the Nation's economy in that mushrooms are produced by hundreds of mushroom producers, distributed through thousands of wholesale and retail outlets, and consumed by millions of people throughout the United States and foreign countries;

(3) mushroom production benefits the environment by efficiently using agricultural by-products;

(4) mushrooms must be high quality, readily available, handled properly, and marketed efficiently to ensure that the benefits of this important product are available to the people of the United States;

(5) the maintenance and expansion of existing markets and uses, and the development of new markets and uses, for mushrooms are vital to the welfare of producers and those concerned with marketing and using mushrooms, as well as to the agricultural economy of the Nation;

(6) the cooperative development, financing, and implementation of a coordinated program of mushroom promotion, research, and consumer information are necessary to maintain and expand existing markets for mushrooms; and

(7) mushrooms move in interstate and foreign commerce, and mushrooms that do not move in such channels of commerce directly burden or affect interstate commerce in mushrooms.

(b) Policy

It is declared to be the policy of Congress that it is in the public interest to authorize the establishment, through the exercise of the powers provided in this chapter, of an orderly procedure for developing, financing through adequate assessments on mushrooms produced domestically or imported into the United States, and carrying out, an effective, continuous, and coordinated program of promotion, research, and consumer and industry information designed to—

(1) strengthen the mushroom industry's position in the marketplace;

(2) maintain and expand existing markets and uses for mushrooms; and

(3) develop new markets and uses for mushrooms.

(c) Construction

Nothing in this chapter may be construed to provide for the control of production or otherwise limit the right of individual producers to produce mushrooms.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 6104 of this title.

§ 6103. Issuance of orders

(a) In general

To effectuate the declared policy of section 6101(b) of this title, the Secretary, subject to the procedures provided in subsection (b) of this section, shall issue orders under this chapter applicable to producers, importers, and first handlers of mushrooms. Any such order shall be national in scope. Not more than one order shall be in effect under this chapter at any one time.

(b) Procedures

(1) Issuance of an order

The Secretary may propose the issuance of an order under this chapter, or an association of mushroom producers or any other person that will be affected by this chapter may request the issuance of, and submit a proposal for, such an order.

(2) Publication of order

Not later than 60 days after the receipt of a request and proposal by an interested person for an order, or when the Secretary determines to propose an order, the Secretary shall publish the proposed order and give due notice and opportunity for public comment on the proposed order.

(3) Issuance of order

After notice and opportunity for public comment are given, as provided in paragraph (2), the Secretary shall issue the order, taking into consideration the comments received and including in the order provisions necessary to ensure that the order is in conformity with the requirements of this chapter. Such order shall be issued and, if approved by producers and importers of mushrooms as provided in section 6105(a) of this title, shall become effective not later than 180 days following publication of the proposed order.

(c) Amendments

(1) In general

The Secretary, from time to time, may amend any order issued under this section.

(2) Application of chapter

The provisions of this chapter applicable to an order shall be applicable to amendments to the order.

(Pub. L. 101-624, title XIX, §1924, Nov. 28, 1990, 104 Stat. 3856.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 6105 of this title.

§ 6104. Required terms in orders

(a) In general

Each order issued under this chapter shall contain the terms and conditions prescribed in this section.

(b) Mushroom Council

(1) Establishment and membership of Council

(A) Establishment

The order shall provide for the establishment of, and selection of members to, a Mushroom Council that shall consist of at least 4 members and not more than 9 members.

(B) Membership

Except as provided for in paragraph (2), the members of the Council shall be mushroom producers and importers appointed by the Secretary from nominations submitted by producers and importers in the manner authorized by the Secretary, except that no more than one member may be appointed to the Council from nominations submitted by any one producer or importer.

(2) Appointments

(A) In general

In making appointments, the Secretary shall take into account, to the extent practicable, the geographical distribution of mushroom production throughout the United States, and the comparative volume of mushrooms imported into the United States.

(B) Units

In establishing such geographical distribution of mushroom production, a whole State shall be considered as a unit and such units shall be organized into 4 regions that shall fairly represent the geographic distribution of mushroom production within the United States.

(C) Importers

Importers shall be represented as one region, which shall be separate from the regions established for mushrooms produced in the United States.

(D) Members per region

The Secretary shall appoint one member from each region if such region produces or imports, on average, at least 35,000,000 pounds of mushrooms annually.

(E) Additional members

Subject to the nine-member limit on the number of members on the Council provided in paragraph (1), the Secretary shall appoint
